

**SUMMARY OF CITIZEN PARTICIPATION PROCESS
2021 NATIONAL HOUSING TRUST FUND ALLOCATION PLAN**

AHFA completed the Citizen Participation process for the Draft 2021 National Housing Trust Fund Plan (HTF Plan) on August 20, 2020. However, AHFA received a comment after the commenting period deadline and incorporated that change into a 2nd Draft 2021 National Housing Trust Fund Plan. The subsequent change was presented during the public hearing for the State of Alabama's Program Year 2021 One-Year Annual Action Plan for CDBG, ESG, HOPWA, HOME and HTF programs held on February 18, 2021.

In accordance with the Citizen Participation Process, a notice of public hearing and the 30-day public commenting period for the State of Alabama's Program Year 2021 One-Year Annual Action Plans for CDBG, ESG, HOPWA, HOME and HTF Programs was published in the Birmingham News newspaper and posted on ADECA's and AHFA's websites at www.adeca.alabama.gov and www.ahfa.com. Emails of the draft Plan's availability was sent to interested parties, requesting that they submit oral comments at the public hearing or written comments regarding the proposed Plans no later than March 22, 2021. The public hearing was held remotely/virtually via a WebEx conference call on February 18, 2021. No comments were received on the 2nd Draft 2021 National Housing Trust Fund Allocation Plan.
